DEFENDANTS

ORDER

In the mid-2000s I represented proposed intervenor Arkansas Electric Energy Consumers in the litigation about cost sharing among entities in the Entergy System. That litigation seems to be the prompting backdrop of this case. My impartiality in presiding over the current dispute could reasonably be questioned. 28 U.S.C. § 455(a). I therefore recuse. The Clerk of Court must reassign this case at random by chip exchange.

So Ordered.
